This small dataset was provided by subscriber Cathy Dunn from a T. D. Mutch Index of a Sydney Hospital return. The original returns have not survived, the Index is located at Mitchell Library Ref. CY 569.

It contains 48 entries from January to December 1803 in Sydney Hospital which give the full name of the deceased and the cause of death in most cases.

It also contains 10 entries of deaths on Norfolk Island from January to December 1802 only two of which have cause of death "drowned", and one in 1810, "shot".

A further 48 entries of persons who died in Sydney Hospital in 1818 giving full name and cause of death and in many cases their age and ship of arrival.
