Notes re the Port Macquarie registers:

Church Registers

The entries from the Port Macquarie church registers covering the years 1824 to 1856 (and beyond) are found in the Archives Kit Reel 5016 Vol. 44. For more information, see *Index to the Microform Collection of the Society of Australian Genealogists as at 31 January 1990* (SAG, Sydney, 1990, p.95).

Clergy Returns

These are copies of the church registers sent to the government (similarly to the Bishop's Transcripts in England), and begin in 1824 for Newcastle. They can be accessed through the Archives Kit volumes.

Kerrison James Index

This index was not used as a transcription source for these BDA entries as it is merely an index extracted from the church registers and contains many errors.

NSW Registry of Birth, Death & Marriage Indexes

For the pre-1856 period, the online Indexes published by the NSW Registry of Births, Deaths and Marriages provides index entries for baptisms, marriages and burials found in registers they hold.

For the Newcastle, the BDM Indexes source entries from:

1. The Kerrison James Index listed above; that is Volumes 1-3 of ARK;
2. The Church Registers published in Volume 44 of ARK;
3. The Clergy Returns published in ARK.

For more detailed information about the different types of church registers and for the list of other church registers included in the BDA see
