Notes re the Sackville Reach registers:

Church Registers

The church registers for Sackville Reach have not survived until a much later period. For more information, see *Index to the Microform Collection of the Society of Australian Genealogists as at 31 January 1990* (SAG, Sydney, 1990, p.99).

BDA Source Description Pages

<http://www.bda-online.org.au>

Clergy Returns

These are copies of the church registers sent to the government (similarly to the Bishop's Transcripts in England), and begin in 1826 for Sackville Reach. These form the basis of the Sackville Reach church register transcriptions.

Kerrison James Index

This index was not used as a transcription source for these BDA entries as it is merely an index extracted from the church registers and contains many errors.

NSW Registry of Birth, Death & Marriage Indexes

For the pre-1856 period, the online Indexes published by the NSW Registry of Births, Deaths and Marriages provides index entries for baptisms, marriages and burials found in registers they hold.

For Sackville Reach, the BDM Indexes source entries from:

1. The Kerrison James Index listed above; that is Volumes 1-3 of ARK;
2. The Clergy Returns published in ARK.

***Not used:** These sources are copies of the originals and were only used if the originals proved difficult to read.

For more information about Sackville Reach parish, see [Hawkesbury on the Net](#).

For more detailed information about the different types of church registers and for the list of other church registers included in the BDA see
